Dear Katt,

Congratulations on being nominated and selected as an award recipient in the APUS Rewards and Recognition (R&R) Program. You are receiving an Accessibility Award for those who enhance access to all learners, and for those who ease access for all APUS team members to succeed.

Your nominator Aikyna Finch noted:

Each of these individuals are being recognized for sharing from their hearts on the Inclusive U Podcast that is featured in the Compass. Each interview has been a great example of practical steps on how to add inclusivity to the classrooms and/or teams. Each person shared their journey with a spirit of excellence to enhance the classroom, the faculty and staff as a whole. I appreciate each one of you greatly and your work has touched many.

We appreciate your hard work and dedication to live out our Core Values, to serve students, and support University colleagues. A copy of this memo will be retained in your personnel file.

Sincerely,

A handwritten signature in black ink, appearing to read "Vernon C. Smith". The signature is fluid and cursive, with the first name "Vernon" being more prominent.
