Dear Katherine,

Quality Award -

Congratulations on being nominated and selected as an award recipient in the APUS Rewards and Recognition (R&R) Program. You are receiving a Quality Award for those who lead by promoting distinction, excellence, and continuous improvement in serving students, faculty, or staff.

Your nominator, Robert Smith, Jr., noted:

Since Katt arrived at APUS, she has been a leader and an outward thinker in all that she does. As an individual that is experiencing a separation of knowledge as I mature, I find that there are times when I need some help with the technology we use on a daily basis. Whenever I call Katt and ask for help, she provides assistance with a smile and a positive attitude. Her knowledge of Bright Space is absolutely outstanding, and with her assistance, I have ensured that the courses I design are functionally and instructional correct.

We appreciate your hard work and dedication to live out our Core Values, to serve students, and support University colleagues. A copy of this memo will be retained in your personnel file.

Sincerely,
